

Career

Become a team member at one of the largest nationwide collision repair companies in the industry! Be a part of a growing company with more than 950 locations in the United States and Canada.

Growth

Gerber believes in promoting from within and rewarding high performers. The TDP offers structured advancement opportunities including our graduate and mentorship program after graduation.

Opportunity

As a trainee, you are guaranteed placement as a flat-rate full-time technician upon graduation.

Compensation

The TDP provides competitive pay, including pay increases throughout the 18-month program.

**We are one of the leading
collision repair companies
in the industry.**
