KICKSTART YOUR CAREER

It Starts With Meaningful Pay

We provide competitive pay to interns across the enterprise, reflective of consistently applied factors such as program track, location, and your educational level, whether you're a sophomore, junior, senior, or graduate student. Plus, you can enjoy the convenience and ease of direct deposit.

Housing Stipend

If the internship is in a city other than your personal residence or college, you'll receive a housing stipend (grossed up) as a one-time, lump-sum payment added to your first paycheck.¹

Parking Stipend

Receive a parking stipend (grossed up) added directly to your paycheck if you work from a location without free parking at least two days a week.¹

Paid Time Away

You're paid for Huntington Bank's recognized holidays. You will also benefit from paid sick/safe time, and a paid day off for a cultural celebration of your choosing.

Tuition Reimbursement

When you continue with Huntington as a part-time or co-op colleague, tuition reimbursement is available to pursue educational opportunities related to your work.

BANKING PERKS

Of course, we offer banking perks to our interns, including:

- Early Pay with direct deposit to a Huntington Bank checking account so you can get paid up to two days early². Direct deposit and eligibility requirements apply.
- If you accidentally overdraw your account by \$50 or less, you won't be charged an overdraft fee thanks to our \$50 Safety Zone³.
- If you overdraw by more than \$50, 24-Hour Grace[®] gives you more time to fix it and avoid a fee.³
