# Corporate and Investment Banking Analyst Program

Huntington's Corporate and Investment Banking (CIB) Analyst Program is an immersive experience designed for high-performing recent graduates given the opportunity to gain exposure to **Corporate, Specialty, & Government Banking, Huntington Capital Markets, or Investment Banking**. Participation in the CIB Analyst Program will provide those selected with a solid foundation in the world of institutional finance.

The Analyst journey kicks off with a **seven-week intensive training program focused on:**

- Technical and professional skill development through expert-led sessions in **accounting, financial modeling, and/or credit analysis,**
- Exclusive **networking opportunities** with senior leaders and peers,
- Role-specific training on technology and industry financial tools, and
- FINRA licensing as required by your specific job division

The CIB Analyst Program is typically two to three years in length. With successful completion of the Program, Analysts may have the opportunity to be promoted to an Associate position.
